

## Revision

### I. Listen and choose the correct answer:

|    |                                                                                     |                                                                                     |                                                                                       |
|----|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| 1. |    |    |    |
| 2. |   |   |   |
| 3. |  |  |  |
| 4. |  |  |  |
| 5. |  |  |  |

## II. Let's count:

|                                                                                     |                                                                                      |
|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
|    |    |
| <b>3      2      1</b>                                                              | <b>5      3      1</b>                                                               |
|   |   |
| <b>1      3      4</b>                                                              | <b>5      3      4</b>                                                               |
|  |  |
| <b>3      1      5</b>                                                              | <b>2      3      5</b>                                                               |
