**Situational writing**

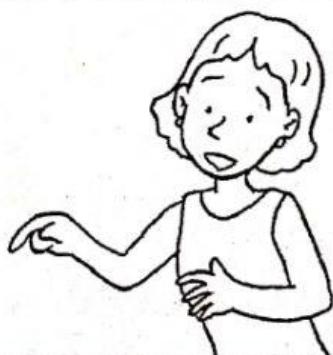

23 August 2019

Oh no, what shall I do? I have a music test tomorrow. There won't be time to get a new recorder by then.

Why don't you email your music teacher about this? You can ask him if he has an extra recorder to lend you. Or you can ask if you can take the test one day later on 25 August 2019.

**Your Task**

Imagine you are the boy in the pictures.

**Write an email to your music teacher to explain why you are unable to bring your recorder for the music test the next day.**

You are to refer to the pictures and information on the facing page for your email.

In your email, include the following key information:

- the purpose of your email
- when the music test is supposed to take place
- what you were doing when the incident took place
- what happened to your recorder
- whether you are able to get a new recorder
- what alternative arrangements you propose for the music test

You may reorder the points. Remember to write in complete sentences.
