On(1) small Indonesian island of Bali,(2) big deal is going down, as(3) villa has been sold in what's thought to be the largest Bitcoin transaction to date. The two bedroom, two bathroom property, complete with(4) private pool, was bought by an anonymous buyer in Texas with less than 1,000 bitcoin, which is(5) equivalent to roughly 600,000 U.S. dollars. "I can't tell you the exact amount, but it's just short of 1000 bitcoins, which depending on the exchange rate, translates into about 600,000 U.S. dollars." Despite the digital currency not being regulated or accepted as legal tender, the deal was sealed in late February through BitPremier which is(6) exclusive bitcoin trading website for(7) luxury goods.
