The interface features a grey background with three numbered ovals (1, 2, 3) at the top. A speaker icon is positioned between ovals 1 and 2. Below each number is a cartoon character and an illustration: a woman next to a sandwich, a girl next to a red apple, and a boy next to a chocolate chip cookie. At the bottom of each character's section are two oval buttons: a green one with a white thumbs-up icon and a red one with a white thumbs-down icon.
