

**I. Choose the best response (A, B, C or D) to complete each conversation.**

1. - \_\_\_\_\_

- I just believe in what I can see.

A. It's unbelievable! Scientists have just launched another satellite into space.

B. Do you believe in UFOs?

C. You can believe or not. My uncle is an astronaut.

D. Can you see the Mars through the telescope?

2. - My father bought me a book about the universe.

- \_\_\_\_\_

A. A telescope would be helpful for you.

B. So don't read the book anymore.

C. It's not good for your education.

D. I think he knows your hobby.

3. -Do you know the name of this planet?

- \_\_\_\_\_

A. This is the first time I've heard about it.

B. No. Jupiter is larger.

C. Is it your business?

D. You may love it a lot.
