

Exercise 3

Read the information. Then complete the sentences with the referencing words in the box.

Using correct referencing is an important aspect of achieving a higher band score for Coherence and Cohesion. This is the concept of using words or phrases in one sentence to replace those in another, usually the previous one, allowing the writer to avoid repetition.

it its that these this those

1. _____ figures show the employment rate in Country A in the period from 1995 to 2015 and predictions for 2025.
