12b Object pronouns: *me, you, him, her, it, us, you, them*

Track 45

Лични местоимения използваме, за да заместим съществителни имена в изречението. Чрез тях избягваме ненужните повторения. Личните местоимения имат различни форми.

Когато съществителното е **подлог** в изречението, използваме I/You/He/She/It/We/They.

Tim is here. → He's here.

Когато съществителното е **пряко допълнение** в изречението, използваме други форми на личните местоимения me/you/him/her/it/us/them и обикновено ги поставяме след глагола.

I can see Tim. → I can see him.

Grandma loves me and my sister. → Grandma loves us.
