

## USE OF ENGLISH

### TASK 8

Read and complete the text below. For each of the empty space (39–48) choose the correct answer (A, B, C or D). Write your answers on the separate answer sheet.

Skipping meals is one of the biggest mistakes women (39) \_\_\_\_\_. Regular meals, and snacks when needed, maintain your energy and (40) \_\_\_\_\_ the nutrients you need each day so you will feel more like being active, your mood will be better and you will be less (41) \_\_\_\_\_ to overeat.

Breakfast is an important start to the day. Healthy snacks can be part of your eating plan but (42) \_\_\_\_\_ care not to eat too much over the day. Some people prefer to eat smaller meals and include a snack in between meals to control their hunger. Snacks may be a good way for you to (43) \_\_\_\_\_ an extra serve or two of fruit and vegetables or get some extra calcium from a yoghurt or fruit smoothie.

41	likely	probable	unlikely	like
42	give	take	get	make
43	carry	consist	include	build

Sugar is an ingredient in many (44) \_\_\_\_\_ foods and drinks. Some foods (45) \_\_\_\_\_ naturally occurring sugars, for example, fruit and products made with fruit, whilst many others contain added sugar.

Sugar does not (46) \_\_\_\_\_ cause chronic disease but (47) \_\_\_\_\_ to excess energy intake and is (48) \_\_\_\_\_ linked to overweight and obesity. It is also a contributing factor to tooth decay and erosion (the surface of the tooth is worn away). Nutritious foods that contain a small amount of sugar are unlikely to be a concern.

48	however	though	similar	therefore

## TASK 9

**Read the text below. For each of the empty space (49–58) choose the correct answer (A, B, C or D). Write your answers on the separate answer sheet.**

Distance learning is a way of learning remotely without (49) \_\_\_\_\_ in regular face-to-face contact with a teacher in the classroom. In the UK such learning has its roots in students learning (50) \_\_\_\_\_ correspondence courses. More than 270,000 undergraduate students (51) \_\_\_\_\_ their first degrees via distance learning, (52) \_\_\_\_\_ with some 108,000 postgraduate students. In recent years the advent of the Internet and widespread use of the computer (53) \_\_\_\_\_ to a huge growth in distantly delivered tuition and study.

50	through	on	in	with
51	take	are taking	had taken	were taking
52	all	among	together	plus
53	has led	led	had led	were leading

At undergraduate level distance learning usually (54) \_\_\_\_\_ students engaging with learning materials at home or work. These materials (55) \_\_\_\_\_ by the university, college or learning provider and are (56) \_\_\_\_\_ sent directly to the student or more usually today accessed via the Internet. Tutorial support (57) \_\_\_\_\_ via a virtual learning environment, telephone, email or other electronic means. There may be occasional face-to-face encounters with tutors and attendance at (58) \_\_\_\_\_ summer schools.
