

The sun'll .....out tomorrow  
Bet your bottom dollar that tomorrow  
There'll be .....  
Just thinkin' about tomorrow  
  
Clears ..... the cobwebs and the sorrow  
'Til there's none  
When I'm stuck with a day that's grey and .....  
I just stick up my chin and grin and ....., oh  
The sun'll ..... out tomorrow  
So you gotta hang ..... 'til tomorrow  
..... what may  
***Tomorrow, tomorrow, I love ya, tomorrow***  
***You're ..... a day away***
