Hi Susan,  
Let me tell you about my weekend.

We went shopping with my family. I was very happy because I love shopping. My mum was bored, she doesn't like shopping.

Later we went to the fun fair. My brother was very excited because he won the lottery. My sister was scared. She doesn't like noise.

After the fun fair we went to the restaurant because my dad was very hungry.

It was a great weekend.  
Take care,  
Ann
