1. Listen and complete the song with the missing words in the chart.

moment fall everything heart eyes fire start love time first eyes

Feels like a that burns in my
Every single that we spend apart
I need you around for every day to
I haven't left you alone.

There's something about you, I stare in your
And I'm looking for I seem to find
All this time away is killing me inside
I need your in my life.

I wanna spend till it ends
I wanna fall in you again
Like we did when we met
I wanna with you again

2. Number the sentences in the correct way.

- (.....) I wanna spend time till it ends
- (.....) Like we did when we first met
- (.....) We fought in a battle, nobody won
- (.....) I need us to carry on
- (.....) I wanna fall with you again
- (.....) You can't turn away, the past is said and done
- (.....) I wanna fall with you again. La la la la, whoa...
- (.....) And now we face a mountain to be overcome

3. Choose the right word.

You'll try **everything/ everybody** you never thought **would/could** work before
When you **life/ live**, when you love, and you give **they/them** your all
You can always **give up/ pick up** some more
Baby nothing **means/hears** anything unless you're **here/there** to share with me
I can **breathe/learn**, I can bleed, I can **die/lie** in my sleep
'Cause you're always there **in/on** my dreams

I wanna spend time till it ends... (etc)
