Bài 10: Choose the best answer to complete the letter.

Dear Sir,

I am writing to complain about a television set that I bought in your shop last week. When I asked the shop assistant why (1) _____ the only set on sale, she (2) _____ me that it (3) _____ used for demonstrations on the shop floor. I also asked her (4) _____ it was in good working order and she assured me that it (5) _____ perfectly. She also promised (6) _____ I could return the set within ten days for any reason and receive a full refund.

Unfortunately, when I took the TV home, I discovered that the sound and picture quality were poor. I called the shop and asked someone (7) _____ me through the manager. The manager explained (8) _____

_____ I could not get a refund as the television was a sale item. He (9) _____ to have the television repaired but said that the repairs (10) _____ at my expense.

Moreover, I would like to add that the shop assistant who sold me the television (11) _____ promising me a refund if there was a problem with the TV set.

The manager suggested (12) _____ Head Office, so I am writing to you. I would like a full refund on the television as soon as possible.

Yours faithfully,

David
