

Strange Things [from Toy Story]

Randy Newman

I was on top of the world, living high
It _____ right in my pocket
I was living the life
Things _____ just the way they should be
When from out of the sky like a bomb comes some little punk in a rocket
_____ all of a sudden some strange things are happening to me
I had friends
I _____ lots of friends
Now all my friends are gone
And I'm doing the _____ I can to carry on
I had power (power)
I was respected (respect)
But not any more
And I've lost the love to the one whom I adored
Let me tell you about the strange things are _____ to me
Strange things
Strange things are _____ to me
Ain't no doubt about it
You _____ someone you think you know well
It turns out a stranger
The minute you _____ your back
You're in it all by yourself
They laugh at your jokes
You think you're doing quite well
But you're in danger, boy
You _____ up alone, forgotten, way up on the shelf
Strange things are _____ to me
Strange things
Strange things are _____ to me
Ain't no doubt about it
Strange things are _____ to me
Strange things
Strange things are _____ to me
Strange things
