

Reading Comprehension

A. Read the text very attentively.

My name is Robert Costa. I live in London, but I'm Welsh. Today is my birthday. I am 10 years old and I am so happy because all my relatives from Portugal and Wales are here with us to celebrate!

We are the Costas. My father, Tiago, is 39 years old and my mother, Ann, is 37. My mum and dad have got two children, my sister, Carol, and me. We are completely different. She is 13. My favourite colour is red after Manchester United. Her favourite colour is blue. My parents' car is blue, too. What a coincidence, isn't it?

My mum, Ann, has got two pets: a white cat and a black dog. The end of the dog's tail is white. It is a funny dog. Their names are Whiskers (the cat) and Bobby (the dog).

My aunts, uncles and cousins are from Portugal and from Wales! Yeah, I love my big family because I get lots of presents.

B. Are these statements True (T) or False (F)? Correct the false ones.

1. Robert's family is small.

2. He is ten years old.

3. His father is Portuguese.

4. His father is 41 years old.
