

### Genotypes Quiz

Place the correct genotype described in each line of the table.

| Letter | Traits               | Genotype |
|--------|----------------------|----------|
| 1. b   | Homozygous dominant  |          |
| 2. s   | Heterozygous         |          |
| 3. k   | Homozygous recessive |          |
| 4. o   | Heterozygous         |          |
| 5. a   | Heterozygous         |          |
| 6. m   | Homozygous dominant  |          |
| 7. z   | Homozygous recessive |          |
| 8. l   | Heterozygous         |          |
| 9. c   | Homozygous recessive |          |
| 10. f  | Heterozygous         |          |
| 11. n  | Homozygous dominant  |          |
| 12. t  | Homozygous dominant  |          |
| 13. d  | Heterozygous         |          |
| 14. g  | Homozygous recessive |          |
| 15. w  | Homozygous dominant  |          |
| 16. y  | Heterozygous         |          |
| 17. h  | Homozygous dominant  |          |
| 18. p  | Homozygous recessive |          |
| 19. r  | Heterozygous         |          |
| 20. z  | Heterozygous         |          |
