

CUSHING'S TRIAD

Label the 3 parts of Cushing's Triad

A diagram illustrating Cushing's Triad. It features a large red equilateral triangle in the center. At each of the three vertices of the triangle is a light gray rounded rectangular box. Each box contains a horizontal line followed by a label in red capital letters. The top box is labeled 'HEART RATE', the bottom-left box is labeled 'RESPIRATORY RATE', and the bottom-right box is labeled 'BLOOD PRESSURE'.
