How are you and how is your family? It has been really interesting to visit you last month there in Istanbul. It is such an amazing city. I'm writing this letter and feeling so happy to start the new school year. I'm sure you are feeling the same.

However, I will tell you about how I got ready for school. You know that I'm looking forward to see my friends again and also to meet my new teacher but the most thing I'm excited about is my new bag. I sat down on the floor with all of my new school supplies and my pink bag.

First, I put my crayons in the bag. I want to use the crayons to draw pictures for my friend. Next, I put scissors, so I can use them to cut out hearts for my new teacher, Mrs. Zahra.

Then, I put in my new princess pencils. I thought of all the stories I would write using them.

Finally, I put a bottle of glitter glue. It would let everything I make sparkle. When I had everything in its place, I carefully put it next to the door. The school will begin in five days. That's all for now.

Write to me soon.**Fatma****READING 2 (continued)*****For each question, write a short answer (not more than FOUR WORDS).*****5. Who is the letter to?**
