

# LIFE'S NOT LIKE THE MOVIES

!

I was sixteen going twenty-two  
If you knew me then, I probably lied to you  
Boys didn't ask for my ID  
So hell, I said that I was eighteen  
Left high school, I got no straight A's  
Packed my bags \_\_\_\_\_ got out of that place  
Moved to LA with no parents  
Thought the world would fall \_\_\_\_\_ in my hands  
But life's not like the movies (movies, movies)  
Boys aren't what they should be (should be, should be)  
Girls are \_\_\_\_\_ and they're \_\_\_\_\_  
You're probably not the prom queen  
Life's not like the movies (movies, movies)  
Met a \_\_\_\_\_ guy  
Thought he would be the one  
'Til I spent the night  
And it was one and done  
Never set your standards too \_\_\_\_\_  
'Cause you're gonna get let down every time  
\_\_\_\_\_ plot-twist  
We're kissing in the rain  
Then your phone rings and it's her again  
Saying that she's \_\_\_\_\_  
And she doesn't mean a thing  
This ain't a movie, there ain't no \_\_\_\_\_ endings  
But life's not like the movies (movies, movies)  
Boys aren't what they should be (should be, should be)  
Girls are \_\_\_\_\_ and they're \_\_\_\_\_  
You're probably not the prom queen  
Life's not like the movies (movies, movies)  
Couple months are \_\_\_\_\_ around here  
Love of my life was still not found yet  
And I won't begin to mention  
My best friend didn't show up on my birthday  
Didn't like when I got attention  
So fuck my ex bestfriend  
But life's not like the movies  
Boys can't be \_\_\_\_\_ as candy  
We're still \_\_\_\_\_ and we're \_\_\_\_\_  
Don't have to be the prom queen  
(Life's not like the movies)  
But life's not like the movies (movies, movies)  
Boys aren't what they should be (should be, should be)  
Girls are \_\_\_\_\_ and they're \_\_\_\_\_  
You're probably not the prom queen  
Life's not like the movies (movies, movies)
