**Read the passage and choose the best answer to each of the following questions. (5 questions)**

Livestreaming is the act of broadcasting live video of an event over the Internet. Livestreaming has become a useful tool in the coronavirus outbreak. It has been widely used in business, education and now has also influenced the way weddings are held. Among hundreds of guests who are invited, there can be those who are living so far away or having health issues that make them unable to travel. There can also be those who feel not comfortable about social gatherings, especially during the COVID-19 pandemic. Thanks to livestreaming, guests who cannot make it to the ceremony because of those various circumstances can still be part of the wedding without risking their health. However, the bride and the groom will have to consider which professional service to use to livestream their weddings. With advanced technology, those professionals can make sure the recording is clear and guests can access it from any platform, from desktops to mobile phones.

31. Why don't certain guests come to the wedding during the coronavirus outbreak?
- A. They are not happy with health issues.    B. They can't adjust their busy schedule.    C. They don't feel like gathering.    D. They can't get the air tickets.
32. What field has been making use of livestreaming?
- A. Business    B. Sales promotion    C. Coronavirous fights    D. Advertising
33. What is the purpose of ordering professional service for livestreaming at weddings?
- A. To avoid health issues of all family members during    B. To be able to use their mobile phones    C. To make the recording livelier    D. To ensure high-quality recording reaches all types of viewers
34. What is the main idea of the passage?
- A. The bride and groom with livestreaming experiences    B. The reasons for not coming to party    C. The usefulness of livestreaming at weddings    D. Livestreaming weddings during coronavirus outbreak
35. What does "it" refer to?
- A. The professional service    B. The recording of the event    C. The actual wedding ceremony    D. The advanced technology
