

episode 3 5.00-6.40

are you still stewing because I rejected your invitation?

I guess you can add "thief" to your resume

I have more pressing issues

How did you know that?

Like what?

He kind of went ballistic on me

I did go out on a limb with you

People can dismiss me and make a million other excuses,
but I'm not gonna stop

He threw you against the wall with his telekinesis

Lucky guess

What's on the whole picture?

What happened between Xavier and Rowan?

Who is Joseph Cragstone?
