Read the texts about the boys and find sports for them

Greg

I like doing individual sports and trying to beat my own personal best. I can't swim very well and, to be honest, I don't enjoy being in water. I also think running round a track is very boring.

Derek

I've tried a few sports like tennis and football, but they are not for me. I love anything to do with water, and I think that actually being in control of a boat myself would be the best for me.

Chris

I'm like Greg because I don't enjoy being in water, too. I prefer trying different disciplines not just one. Running and jumping is okay, but I can try other sports.
