**A Think!** Do you want to know more about international events? We meet once a week for an informal discussion. Each week we watch a film from around the world and/or invite speakers to help us understand recent events. At our next meeting we are showing a film about earthquake rescue teams.

**B Games and Chat** We meet once a week to play computer games. We give our views on new games and talk about games past and present. We also organize trips to game shows to see how designers come up with new ideas and create new games. You'll discover a whole new world!

**C Party Plus** At Party Plus, we are looking for new people to help us. We organize street parties and concerts to raise money for local charities. It's challenging work, and you have to work with a wide range of people, but you'll have a lot to offer future employers and you'll make a difference!

**D Come dine with me** We meet regularly to visit restaurants and enjoy eating delicious food from all over the world. We also invite chefs from other countries to tell us about how food is grown and prepared where they come from. There's usually quite a large group of us, so it's a wonderful way to meet people.

**E Nature lovers** Are you interested in nature? Our group has been exploring the wildlife of the city for over 100 years! We organize talks from experts on the animals and plants around us. We also work in small groups to think of ways to improve life for the animals and people in our city!

**F Action!** We are a film club, but we don't watch films – we make them! We're always looking for new people with interesting ideas. You will do activities in small groups, so it's a great way to learn new skills and make new friends. We also organize regular trips to film studios to see how the professionals do things.

**G A world of food** We can teach you to prepare delicious dishes! Our trainers come from five countries, and they love to share their recipes and the history of their cultures. This class will teach you how to create wonderful food in your own kitchen. You never know, you might decide to become a professional chef one day.

**H City explorers** Get out and about with City explorers! We explore our own city and produce information guides so that visitors can enjoy it too. We also produce maps of the city, past and present, showing how it's changed. We often get together with groups from other towns and cities to compare information and experiences.
