

BACK TO SCHOOL

1. I cannot myself.
2. Being an adult definitely has its
3. I still remember and miss the simple and days as a kid.
4. Some of you have graduated and are on to the next tier of education.
5. You might be at the fact that you have to go back to doing your homework, putting up with boring lectures, being forced to socialise with undesirable people.
6. I guess it's said that done because some of us are more insecure than others.
7. I mean, a decent level of hygiene, first impressions aren't only limited to the clothes you wear.
