

# Birds

## 1. Write the bird's body parts

## 2. Fill the blanks

feathers beak wings lungs teeth tail

The birds have a \_\_\_\_\_ at the end of their mouth and they do not have \_\_\_\_\_. They have \_\_\_\_\_ on the upper part of their body. Their body is covered in \_\_\_\_\_ which protect them from cold and rain. Birds have a \_\_\_\_\_ at the back of their body. They also breathe through their \_\_\_\_\_.

## 3. Write. Are these birds carnivores, herbivores or omnivores
