MATCH IT

- Second, tap the Status button. On Android, this button will be at the top of your screen next to Chats.
- At last, Tap the Send button. It looks like a tiny paper plane in the lower-right corner of your screen. It will add this update to your Status.
- First, Open WhatsApp Messenger. The WhatsApp icon looks like a green box with a white speech balloon and a telephone in it.
- HOW TO CREATE STATUS ON WHATSAPP
- Than, Tap the Add Status button in the upper-right corner of your screen. This button looks like a circle with a "+" sign on it.
- After that, Create your Status. Tap the white circle at the bottom of your screen to take a picture, or hold it down to record video. You can also select a photo or video from your Camera Roll at the bottom of your screen to add it to your Status.
