H Read the text and answer the questions.

My friend Karen is a very busy person. When she's not doing her homework or studying, she is out having fun.

On Tuesdays, she goes swimming after school. She practises a lot because she's in the school team. Then, on Wednesdays, she goes to music club. On Thursdays, she meets her friends for a coffee in town. Then, on Fridays, she goes to the cinema or plays scrabble with her sister.

At the weekend, Karen always spends time with her family. She usually helps her mum around the house and sometimes her dad takes her windsurfing.

e.g. Is Karen a busy person?
