

# WAY BACK HOME

(ENGLISH COVER)

Way back home is in our heart

Even close or far

\_\_\_\_\_, Winning

Our home's still waiting

Way back home is in our heart

Even It's so \_\_\_\_\_

Things change, stuffs change. But \_\_\_\_\_ is still home

[Rap verse 1]

Get in life make money, get in life find chances

City always shining, City's nights have \_\_\_\_\_

Just like other \_\_\_\_\_, grow up want to go far

Home will still be right there, wait for \_\_\_\_\_ outside

Going out to know, no where can be like home

Knowing what to lost, before open the \_\_\_\_\_

Not a good boxer, but need to good at fight

Sometimes feeling exhauste just because not \_\_\_\_\_

Sometimes feeling empathetic with Mai An Tiem

Out there it's all \_\_\_\_\_ things, only home always safe

Even outside is so \_\_\_\_\_

But when get back to home I can be naive child

[Pre chorus]

Bring all the joy to the buses

Carry the joy all day all night \_\_\_\_\_

People on the street with the spring's color

\_\_\_\_\_ my cozy place

[Chorus]

Way back home is in our heart

Even close or far

\_\_\_\_\_, Winning

Our home still waiting

Way back home is in our heart

Even It's so \_\_\_\_\_

Things change, stuffs change. But \_\_\_\_\_ it's still home

[Rap verse 2]

Comeback home, garden with dogs and \_\_\_\_\_

Friends say that I'm choosy

And prefer the winds to air conditional

Eat food mama \_\_\_\_\_, wear clothes mama sew

Take dad to \_\_\_\_\_, buy peach - tree and apricot

Working hard all years always weary like machine

All pressure inside flew \_\_\_\_\_ when i get home

Warmer than firestone, sweeter than paddy  
Your home still be \_\_\_\_\_, waiting for children  
Sunny or rainy, never be \_\_\_\_\_  
Happy is simple, when you get back home  
Happy, go back home  
\_\_\_\_\_, go back home  
Success, go back home  
Losing, go back home  
\_\_\_\_\_, go back home  
Vague, go back home  
Unstable, go back home  
\_\_\_\_\_ to do, then you go back home  
\_\_\_\_\_ to do, then you go back home  
Go back home, go back home

[Chorus]

Way back home is in our heart  
Even close or far  
\_\_\_\_\_, Winning  
Our home still waiting  
Way back home is in our heart  
Even It's so \_\_\_\_\_  
Things change, stuffs change. But \_\_\_\_\_ it's still home

[Rap verse 3]

House could be big could be small could be unspacious

All \_\_\_\_\_ just want their kids live nicely

Growing up strong with a \_\_\_\_\_ future

Hark work all life but you \_\_\_\_\_ complains

[Chorus]

Way back home is in our heart

Even close or far

\_\_\_\_\_, Winning

Our home still waiting

Way back home is in our heart

Even It so \_\_\_\_\_

Things change, stuff change. But \_\_\_\_\_ it's still homeeeeeee.
