Read the text and mark True or False

Hi! My Name is **Michael**, I'm sixteen years old and I live in London. There are many rules in my school! We mustn't listen to music, we mustn't run in the corridors, we mustn't eat chewing-gum in the school,... But we must wear a uniform. I hate the school uniform! Another rule that I don't like: we must do our homework! If we break the school rules, we have detention!
