

Read the text carefully in each question. Choose the best answer **A**, **B** or **C**.
For each question, mark the correct answer **A**, **B** or **C** on your answer sheet.

Practice 1

NASA scientists are deep in the process of designing Europa Clipper. It will be launched as soon as 2023, then trek out to the Jupiter system for about 40 close passes over the mysterious icy moon of Europa. Once it arrives, the Europa Clipper will gather vital information about the moon's geology, composition and hidden interior ocean.

1. The Europa Clipper is most probably a
- A** satellite.
 - B** spacecraft.
 - C** telescope.

NOVA Express 9970

- 3.6 mm AV plug
 - 8.0 mega pixel camera
 - Up to 1000 songs on 4 GB
 - High speed Internet connectivity
-
- The first 20 customers will get a RM100 voucher each.
 - The next 20 customers will get a RM50 voucher each.
 - 10 lucky customers will win a special prize.

2. If you are the 15th person to buy the mobile phone, you are guaranteed to receive
- A** a RM50 voucher.
 - B** a RM100 voucher.
 - C** a special prize.

Due to electrical maintenance work, the tower viewing platform is temporarily closed. Please visit our website at www.visiontower.com or our office at Ground Floor, Unit 1 A for any updates on the reopening date. We sincerely apologise for any inconveniences caused.

– Vision Tower Management

3. The notice above is most probably addressed to
- A visitors.
 - B the tower's management staff.
 - C the maintenance workers.

Squeeze some lemon juice into a bowl and add a few drops of water. Mix the water and lemon juice with a spoon. Dip the cotton bud into the mixture and write a message onto a piece of white paper. Wait for the juice to dry so it becomes completely invisible. When you are ready to read your secret message or show it to someone else, heat the paper by holding it close to a light bulb.

4. The above text shows
- A how to extract lemon juice.
 - B how to read a secret message.
 - C how to make an invisible ink.
