

Listening 🎧 T9

1 You will hear an interview with Alex Trigg, a leisure consultant, talking about the future of the leisure industry. Listen and tick the column that matches each prediction.

In the future ...	Certain?	Possible?	Improbable?
1 ... people will have less leisure time.	✓		
2 ... people will take long holidays.			
3 ... people will take short breaks.			
4 ... the weather will be less predictable.			
5 ... people will want to travel abroad.			
6 ... people will spend less time using technology at home.			
7 ... people will spend less time on traditional leisure activities.
