READING

2 Read the texts and mark the sentences T (true) or F (false).

GREAT BRITAIN **EUROSTAR TRAIN**

Eurostar is a high-speed train. It is the first international British train. It is 400 metres long and can carry about 770 passengers. It is a fast way to travel from London to Paris or Brussels. The train runs under the sea through the Channel Tunnel. The travel time under the Channel is twenty minutes with the rest of the journey on the surface. It offers comfort. Just sit back and enjoy!

London to Paris or Brussels. The train runs under the sea through the Channel Tunnel. The travel time under the Channel is twenty minutes with the rest of the journey on the surface. It offers comfort. Just sit back and enjoy!

ITALY **GONDOLA**

A gondola is a long, black, narrow boat. It is best known for its use on the canals of Venice, the waterways for boats. It can carry six passengers. When you visit Venice don't miss a romantic trip on a gondola.

In Tunisia people use camels as a means of transport. They say people who have got a camel are always on the move. Camel riding is popular with tourists. Ride a camel in the Sahara Desert. It can be an unforgettable experience.
