Listen to two people talking about surviving on a desert island and complete the conversation with the correct word.

- W:** So what do you think? If you 1. _____ to live on a desert island, what would you 2. _____?
- M:** Well, firstly, I'd take a 3. _____. Definitely.
- W:** Really? I don't think so. Why?
- M:** Well, if you 4. _____ have a tent, you 5. _____ sleep properly. You know, a tent would 6. _____ you dry if it rained ... and it would keep you warmer ... Actually, I'd take a 7. _____, too ... I mean, it would probably be really cold at night ...
- W:** A tent and a blanket? Are those your first two choices ...? So you could sleep properly?! What about 8. _____ and water ... those would 9. _____ more important, wouldn't they?
- M:** Well, yes ... they're important, too ... My third choice would be 10. _____ ... obviously you would need water to survive ...
- W:** Bottled water? You would 11. _____ to take a lot ... I don't think it would be possible to take enough ...
- M:** Hmm ... I don't know ... and I'm not sure about the food ... there's nothing on the list about food ...
- W:** Well, if you were on a desert island, you would have to 12. _____ your own food ... I suppose.
- M:** Yes, that's true. A 13. _____ would be useful ... to prepare food ...
