

Love of My Life

Queen

Love of my life, you've me

You've broken my and now you leave me

Love of my life, can't you see?

Bring it back, bring it back

Don't take it away from me, you don't know

What it means to me

Love of my life, don't leave me

You've stolen my love, you now me

Love of my life, can't you see?

Bring it back, bring it back

Don't take it away from me

.....

You will

When this is blown over

Everything's all by the way

When I grow

I will be there at your to remind you

How I still love you (I still love you)

I still love you

Oh, hurry back, hurry back

.....

Love of my life

Love of my life

Ooh, eh (alright)

remember

hurt

because

side

older

heart

desert
