

Modern achievements of science

1 a) Match the pictures of the inventions of recent years with their names (1-6).

- | | |
|--------------------|------------------|
| 1 a play station | 4 roller skates |
| 2 a digital camera | 5 mp3 player |
| 3 a mountain bike | 6 a mobile phone |

2 Match the beginnings with the endings to make correct sentences.

- | | |
|--|---|
| 1 When you listen to your MP3, surf the Internet or use your mobile phone, | <input type="checkbox"/> you can try to create posters of your country for English speaking tourists. |
| 2 If you have a pastime of your own choice, | <input type="checkbox"/> you can "unplug" and focus on sports and opportunities in real life. |
| 3 Any hobby will change your teen's life | <input type="checkbox"/> for the better. |
| 4 The lives of most teenagers depend on | <input type="checkbox"/> electricity and batteries. |
| 5 No matter what kind of hobby it is, | <input type="checkbox"/> you are plugged in. |
| 6 If you learn English, | <input type="checkbox"/> it gives you a sense of purpose in life. |

3 **Split up in two groups. Listen to four descriptions of various objects. The group which is the first to guess what is being described wins.**

- | | | | |
|---|-------|-----------|------------------|
| 1 | | saxophone | electric battery |
| 2 | | | |
| 3 | | mirror | life west |
| 4 | | | |

4 a) **Guess the objects mentioned below.**

- 1 I was born in the late fifties.
I'm getting more and more popular every year.
I'm plugged in approximately every other day.
I'm the most important item in most people's lives.
Nowadays you can put me in a small pocket.
I hear all your secrets.

A m _ _ _ _ _ p _ _ _ _

- 2 I was born about 150 years ago.
I don't run on batteries.
I don't run on electricity.
I am unplugged, independent and free.
I can take you anywhere.
In some cities I have special tracks.
