Learning objective – To Find the Volume of Rectangular Prism

Find the volume of following prisms

Q1)

Volume formula = length x _____ x height

Volume = 4 cm X 2 cm X _____ cm

Volume = _____ cm^3

Q2)

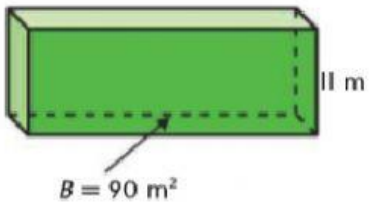

Volume formula = _____ x width x height

Volume = 12 cm X 12 cm X _____ cm

Volume = _____ cm^3

Q3)

Volume formula = base x _____

Volume = 90 cm^2 X _____

Volume = _____ cm^3
