

# ALIBI

Situation: You are suspects of a crime. You must make an alibi to prove your innocence. You will be interviewed separately by the police officers and detectives. You have 10 minutes to prepare your alibi together. You'll be asked 8 questions.

- a. Where were you last night?
- b. When did you meet?
- c. What were you doing there?
- d. Who were with you?
- e. How long were you there?
- f. What were you wearing?
- g. What did you do at the end of the night?
- h. What time did you get home?

Situation: You are part of the Police Department and have suspects of the crime. You are going to interview them separately and find differences in their stories and take action based on it. You will ask the following questions.
