Lesson A

Communication and Cultural Awareness

Social Studies

1. Listen and repeat the poem.

Audio
Listen to the recording

My Neighborhood

I love my town, my town, my town.

There are a lot of trees that you can see, you can see.

There is a playground, a movie theater, a hospital and so much more.

A library, a shop, and a grocery store!

When I walk around my town, there is so much to see!
