

Exercise 1

In this unit, you will learn how to answer IELTS Speaking test questions on the topic of television.

Look at the phrases in the box. Then watch the video of three native English speakers discussing television. Notice how the speakers use some of the phrases for self-correction, clarifying and omitting details. Complete the table with the phrases.

and so on	sorry, I should have said ... clarify that	by that I mean ...	let me
what I mean by that is ...	et cetera	what I meant to say was ...	
	to put that (in) another way ...	and stuff like that	

self-correction	omitting details	clarifying
