

## Exercise 1

*In this unit, you will learn how to answer IELTS Speaking test questions on the topic of television.*

*Look at the phrases in the box. Then watch the video of three native English speakers discussing television. Notice how the speakers use some of the phrases for self-correction, clarifying and omitting details. Complete the table with the phrases.*

and so on	sorry, I should have said ...	by that I mean ...	let me clarify that
what I mean by that is ...	et cetera	what I meant to say was ...	
to put that (in) another way ...		and stuff like that	

self-correction	omitting details	clarifying
