

Exercise 2

Read the IELTS Speaking Part 2 task card. Then complete part of the student's answer with the correct collocations.

Watch the video and check your answers.

Describe an important festival (a big celebration or special event) that takes place in your country.

You should say:

when the festival takes place

what happens at the festival

whether you enjoy the festival

and explain why the festival is important in your country.

... It's called the Far East Film Festival. It's a _____ festival of course and it's about old, _____ Asian movies. It's usually around the _____ holidays, and it lasts ten days. Every day, you can watch four or five movies from across Asia, so Chinese but also Korean and Japanese. ... It's very nice because there is a market where you can buy local _____ ..., and fairs where people dress up in _____ Japanese dress. ... I really enjoy this festival because it's very ... interesting. The only thing that is a little bit difficult is the movies are in the original _____.
