

AT THE CLOTHES SHOP

- _____ Customer: Ok. I will try this one. Where is the fitting room?
- _____ Shop assistant: Welcome to our shop. How can I help you?
- _____ Customer: Thank you.
- _____ Shop assistant: Oh, we have plenty of dresses here. You can choose which one you like best.
- _____ Customer: Good morning, I'm looking for a dress.
- _____ Shop assistant: Over there.

A few moments later...

- _____ Shop assistant: Wait a minute. Oh, you're so lucky. We only have one green dress left.
- _____ Customer: Wow, that's cool. How much is it?
- _____ Shop assistant: Your change is \$5. Thank you for your purchase.
- _____ Customer: This dress fits me well. Do you have this dress but not in black?
- _____ Shop assistant: Yes, of course. Which colour do you want?
- _____ Customer: Cash. Take \$50.
- _____ Shop assistant: It's 45 euros. And you can have a 10% off.
- _____ Customer: A green one in medium size would be fine.
- _____ Shop assistant: Are you going to pay by card or cash?
- _____ Customer: Okay. I'll take it.
