Chorus: Please don't worry 'bout me. I'm fine
(Please don't worry 'bout me. I'm fine)
Only gonna play the fool one time
(Only gonna play the fool one time)
Trust me when I say that I'll be OK
Go on, girl (3 times)

I can't get it back
But I don't want it back
I realized that she don't know how to act
Tried to _____ down
And look what I get
Thought it was my _____, but I guess not yet

She at the bar
Getting drinks from many men
I'm in the house, thinking she's with her girlfriends
Just not knowing
Truly not knowing
I look _____ now like, "Man, I was open."

I was inviting her into my heart
But she was out riding in some other man's car
She was my night time. Thought I was her star
Guess I was wrong, but see I'm strong
Won't take long for me to move on

Chorus: Please don't worry 'bout me. I'm fine...

The mistake I made is clear
(We never should've been together)
That's the reason you're not here
(I know that I can do much better)
Not a single salty tear
Not a feeling in my chest
Baby, I'm feeling no stress
I'm too fly to be depressed
Go on, girl (4 times)

Chorus: Please don't worry 'bout me. I'm fine...
