Part 2. Filling in the blanks.

Complete each statement by filling in with the correct word or phrase.

1. People called the Titanic, _____.
2. The Titanic sailed its first voyage on _____.
3. It carried about _____ passengers.
4. It came from _____.
5. It was heading to _____.
6. On, _____, the Titanic hit an iceberg.
7. More than _____ people died in the tragedy.
8. The wreck of the Titanic was discovered in _____ with the help of the robotic submarines.

Part 3. Close and Critical Reading.

Answer the following questions briefly but clearly.

1. What can you infer from the statement, "The last signals heard from the Titanic were received at 12: 27 A.M." What does this tell you about the overall time frame of the disaster?

2. What did the captain mean when he said, "Men, you have done your full duty...I release you."?

3. In your own words, explain what happened after a "big wave" carried off the collapsible boat that Harold Bride was helping to push off the boat deck.

4. Explain why the reporter chose to present a story told by a surviving crew member rather than by a surviving passenger?

5. In the first article, why might the reporter have included this sentence:
“The wireless operator seemed absolutely cool and clearheaded, his sending throughout clear and perfectly formed and judgment used by him was of the best.”

6. Both articles described the sinking of the Titanic differently. Answer these questions:
A. How are the events in the articles organized and described?

- B. How might the organizations and structures affect the readers?

Part 4. Annotation

A. What is annotation? (Meaning) List down three (3).

1. _____
