Lesson: Getting Started

Activity 1. Nam and Mai are talking about a film. Listen and read.

(Nam và Mai đang nói về một bộ phim. Nghe và đọc.)

1. Nam: Did you see the film A.I. on cable TV?
2. Mai: No, I didn't. What does A.I. mean?
3. Nam: Artificial Intelligence.
4. Mai: What's the film about?
5. Nam: It's a science-fiction film about a robotic child who has human emotions.
6. Mai: Sounds unbelievable!
7. Nam: Yeah! The Swintons' only son, Martin, has got a life-threatening disease and waits for a cure to be found. Meanwhile, Monica, his mother agrees to activate David, a robotic boy

capable of human emotions. Things appearto be going well with the Swintons.

8. Mai: So, what happens then?

9. Nam: Well, Martin is completely cured and healthy again. He often gets David into trouble with other people. They start thinking that David dangerous to humans.

10. Mai: That's terrible!

11. Nam: Yes, Monica is worried that they are going to get the robotic boy destroyed. So she has someone take him to a faraway forest and leave him there.

12. Mai: Poor David!

13. Nam: Yeah. David thinks Monica doesn't love him any more because he isn't a 'real boy' like Martin. So he goes searching for the Blue Fairy to help him to become a real boy.

14. Mai: Does he find her?

15. Nam: Well, his dangerous and incredible journey in search of the Blue Fairy is in vain.

16. Mai: Do you mean David cannot find the Blue Fairy?

17. Nam: No, he cannot. But after two thousand years, when humans do not exist any more, David is found and resurrected by future A.I.

18. Mai: Really? Incredible!

19. Nam: Well, thanks to the advanced science and technology, David is reunited with Monica.

20. Mai: A happy ending, right?

21. Nam: Yes. But they can only spend one happy day together as a real mother and a real son.

22. Mai: Why only one day?

23. Nam: I don't know... In the last scene, they both fall asleep... Well, you should watch the film. There are a lot more thrilling events to see.
