

Computer Applications Technology

WORKSHEET NO. 6:

Information Processing Cycle

1. **This part is the Processing cycle allows users to enter data into the computer.**

- ☐ input ☐ processing ☐ CPU

2. **This part of the Processing cycle does all the work.**

- ☐ input
☐ output
☐ processing

3. **This part of the Processing cycle is temporary memory.**

- ☐ input ☐ storage ☐ RAM

4. **This part of the Processing Cycle is permanent memory.**

- ☐ input ☐ storage ☐ output

5. **_____ comes into the computer it processes and gives out information.**

- ☐ Output ☐ CPU ☐ Data

6. **The _____ is an input device.**

- ☐ speaker
☐ monitor
☐ joystick

7. **The _____ is an output device.**

- ☐ microphone
☐ keyboard
☐ printer

8. **CPU stands for _____.**

- ☐ Computer Processing Unit
☐ Central Processing Unit
☐ Centre Processing Unit
