What will you major in?

Laura: Congratulations! You finally got that scholarship to Harvard.

Ryan: Yeah. I made it.

Laura: I'm really happy for you. Where will you live?

Ryan: I'll probably live in a dorm for the first year. Maybe I'll share an apartment after that.

Laura: What will you major in?

Ryan: Business administration.

Laura: The choice of university is very important. A Harvard degree will open doors for you for a successful career. I'm sure you'll have lots of job offers before you finish college.

Ryan: I hope so. How about you?

Laura: I don't have the grades to get into a major university, so I'll go to the local community college at first. But I'll keep trying.
