Interactive worksheet for identifying cat body parts. The central illustration is an orange tabby cat. Arrows point from various body parts to labels with empty boxes for selection. Each label is preceded by a speaker icon.

Labels and their corresponding body parts:

- TAIL (points to the tail)
- HEAD (points to the head)
- EYE (points to the eye)
- EAR (points to the ear)
- WHISKERS (points to the whiskers)
- PAW (points to the paw)
- BELLY (points to the belly)
- LEG (points to the leg)

Labels with no arrows pointing to them:

- HEAD (top right)
- WHISKERS (top right)
- PAW (middle right)
- BELLY (middle right)
- LEG (bottom right)
- EAR (bottom right)
- PAW (bottom left)
- BELLY (bottom left)
