Jon: How are things going at law school?

Natalie: ¹*Generally/Hopefully*, I'm enjoying the course, although, ²*personally/luckily*, I'm struggling a bit with the amount of work.

Jon: What sort of assignments do you have to do?

Natalie: ³*Generally/Actually*, we don't have any this year. ⁴*Unfortunately/Personally*, it's just a lot of reading to prepare for our huge exams. Only about half of the students pass, ⁵*apparently/hopefully*.

Jon: That sounds stressful!

Natalie: It is, but, ⁶*unfortunately/hopefully*, all my hard work will be worth it! How's life as a future chef?

Jon: Well, ⁷*apparently/basically*, the first week was just chopping onions. ⁸*Generally/Luckily*, we've moved on to making pastry this week, which has been interesting and delicious. We have to try all the dishes we make, of course.

Natalie: ⁹*Obviously/Surprisingly*, I chose the wrong course!
