

Learning Target: I can identify vocabulary words associated with grocery stores by matching.

IDENTIFY THE VOCABULARY

Directions: Match/trace each picture by drawing a line!

The image shows a matching exercise with two columns of five images each. The left column contains: a grocery store, a shopping list, a shopping cart, a shopping basket, and a cashier. The right column contains: a shopping cart, a grocery store, a cashier, a shopping list, and a shopping basket. Dashed lines connect the images between the two columns.
