

Exercise 1. Matching Wild Animals

ANIMAL MATCH

The exercise consists of matching animal illustrations to their names. The central column contains the following signs from top to bottom: TIGER, BEAR, ELEPHANT, LION, CHEETAH, MONKEY, GIRAFFE, and PANDA. The left column shows illustrations of a lion, a panda, a cheetah, and an elephant. The right column shows illustrations of a bear, a giraffe, a tiger, and a monkey. A line connects the lion illustration to the LION sign. Blue dots are placed next to each animal illustration for marking.
